### Product Profile:

Klingon Warnog is an official Star Trek/CBS beer brewed under license by Garrison Brewing. The spicy rye flavour of victory will pair perfectly with Heart of Targ on your Day of Honor. The smell of Earth clove will pry you from your Mat'loch. Fill your next Grail of Kahless with Warnog!

### Tasting Comments:

Deep reddish-brown in colour with a full, off-white head. Aroma of banana, clove & chocolate. The flavour is a unique blend of spicy rye, clove and tartness from the weizen yeast, balanced with caramel and chocolate from the Munich and Dark Crystal malts. Rich, dark and medium-bodied with a slightly tart, dry finish and low bitterness.

### Serving Suggestions:

Heart of Targ, Gagh, Papius Claw, or sweet segments of Na'ran... But if you are not brave enough for Klingon Fare, it's great with bacon cheese-burgers, spicy mexican fair and good ol' American style BBQ.
